Document

Project		Revision	
Date		Requisition no	

Specification

No	Parameter	Value	Unit / notes
----	-----------	-------	--------------

General

1	Tag number		
2	Service		
3	Line / equipment number		
4	P&ID number		
5	Hazardous area classification		

Process conditions

6	Fluid		
7	Operating pressure (normal / max)		
8	Design pressure		
9	Operating temperature (normal / max)		
10	Design temperature		

Transmitter

11	Type		
12	Measuring range (sensor limits)		
13	Calibrated range		
14	Output and protocol		
15	Accuracy		
16	Power supply		
17	Enclosure and ingress protection		
18	Ex certification		
19	Electrical entry		
20	Process connection		
21	Wetted parts / diaphragm material		
22	Fill fluid		
23	Display		

Accessories

24	Manifold		
25	Mounting bracket		
26	Diaphragm seal		

Purchase

27	Make and model		
28	Quantity
